On order of the Court, the application for leave to appeal the March 16, 2010 judgment of the Court of Appeals is considered, and it is GRANTED. The parties shall address whether the Legislature intended to include the final sentence of MCL 500.3009(2) in the required notice provisions of the insurance documents described in that provision. If the Legislature did not intend the final sentence to be included in the required notice provisions of the relevant insurance documents, the parties should address what effect, if any, this interpretation has on this case.
